MEMORANDUM FOR: Project Director

**SUBJECT : Visit of Generals Doolittle and Hull
to HTAUTOMAT**

1. For your information, on Friday evening, 28 February, at 4:30 I received a call from Harold Lawrence of Dr. Killian's office requesting that arrangements be made for Generals Doolittle and Hull to visit HTAUTOMAT to be brought up-to-date on TALENT materials.

2. I made the arrangement, and Art talked with them from 5:10 until 7:00 p.m. According to a report from Art this morning, it was a good session. General Hull, who while knowledgeable had not seen actual materials, commented to General Doolittle when he left: "Fantastic".
